**Transition Fair and Festival**

**Transition Planning for Kindergarten 2016 starts NOW!**

Transition Planning from Infant Toddler EI (birth to 3) to Preschool EI (3-5) starts when your child reaches 2 years old. Starting early, understanding the process and resources, are keys to making smooth transitions! Get tips and resources on supporting all of your child’s transition needs.

Families who attend this event will:

* Have an opportunity for your child to play with other children
* Meet other Early Intervention Families and learn how you can support one another
* Learn about the Transition process (Transition @3, Transition @ 5)
* Participate in Fun activities – face painting, raffles and so much more!

Representatives from Intellectual disAbility Services (IDS), Elwyn SEEDS and the School District of Philadelphia will be in attendance to answer questions.
